

**IHEA**  
INSTITUTE OF HEALTHCARE ENGINEERING, AUSTRALIA  
SUPPORTING HEALTH FACILITIES MANAGEMENT

***Diary note: save the date!***

***For this year's IHEA-QLD Branch Conference, Golf morning and Trade Show 2017***

**Conference theme: Wi Fi Challenges and Humidity Management in Healthcare**

I have the pleasure of confirming that the Queensland Branch Conference of the Institute of Healthcare Engineering Australia, will be held at Victoria Park Golf Club on **Thursday the 20<sup>th</sup> and Friday 21<sup>th</sup> July 2017.**

The Institute of Healthcare Engineering Australia is committed to continually supporting its members in their professional endeavors toward best practice in Health Engineering. Since the first Australian National Conference held in Melbourne in 1950, the Institute has been dedicated to providing valuable information through its annual and branch conferences.

I am extending, on behalf of the IHEA Qld Branch Committee of Management, an invitation for you to participate in the QLD Branch Conference and Trade Show.

An opportunity not to be missed, more information to follow

---

**Please reply to this invite if you have an interested in attending.**

Brett Nickels – MIHEA

**Qld Committee of Management**
