IHEA Membership Levels 2019/20

<p><i>Healthcare Organisation Group Discount</i></p>	<p>Is available to organisations operating within the healthcare FM / engineering field who wish to secure membership for their staff undertaking relevant FM roles. Membership is a discounted financial arrangement for the administration / payment of membership fees, allowing all relevant staff to be covered under one cover with a single invoice provided. Members covered by this arrangement will still be assessed / admitted as individual members based on the relevant criteria above and will receive all benefits of an individual member.</p>
<p><i>State Corporate</i></p>	<p>State Corporate Membership is available to companies that have an interest in the Healthcare industry such as Healthcare Networks, Consultants, Contractors, Installers or Suppliers of healthcare FM / engineering-related products or services. This type of membership grade is suited to organisations whose activities are focussed in one or two States. Membership fees are applicable for each nominated State. Membership entitles the company to nominate two (2) individuals in the State of their preference.</p>
<p><i>National Corporate</i></p>	<p>National Corporate Membership is available to companies that have an interest in the Healthcare industry such as Healthcare Networks, Consultants, Contractors, Installers or Suppliers of healthcare FM / engineering-related products or services. This type of membership grade is suited to organisations that have a national presence. Membership fees apply on a national basis. National Corporate membership entitles the company to nominate two (2) individuals in each State Branch.</p>
