

The Institute of Healthcare Engineering Australia (IHEA) is the specialised organisation for professionals working in the healthcare engineering and facilities management sector. We provide a wide range of services and resources to help our members develop their knowledge, and extend their connections across the industry and beyond.

Direct providers of Healthcare such as hospitals and aged care facilities can save with Group Membership discounts. The discount applied is based on the number of employees the employer wishes to enrol as members of IHEA.

One invoice is issued annually for all group members. Pro-rata invoicing on a per quarter basis is provided for members joining part way through the membership year.

With savings up to 20% on individual memberships, there's good reason to consolidate individual memberships within your healthcare organisation.

This information sheet should be read in conjunction with the Individual Membership information sheet. The application and approval process for each group member applies accordingly.

MEMBERS	DISCOUNT PER GROUP MEMBER
2-5	5% DISCOUNT
6-10	10% DISCOUNT
11-15	15% DISCOUNT
16+	20% DISCOUNT

Enabling world-class healthcare
