

14 JULY 2022

IHEA QLD BRANCH MID YEAR CONFERENCE

Queensland Branch Annual Special Meeting will
also be held on the day

RESILIENCE: FLOODS, FIRES, PANDEMICS.....

- Can your organization weather the storm?
- Resilience through systems and people.
 - Infrastructure - designing in resilience.
 - Lessons from real life examples.

Due to venue constraints, this year we are
planning a single day packed with content –
includes a trade show in the evening.
